UGA Extension has received grant funding for vaccine education. The purpose is to:

- Educate farm employees on the benefits of all vaccines
- Answer questions you and your employees have on vaccines
- Provide onsite or offsite vaccine clinics to protect your farm.

Please contact your local Extension agent or
Phone: 706-542-3824 Email: caesext@uga.edu.
Education and clinics will begin in Spring 2022.
